THE HON'BLE SRI JUSTICE L.NARASIMHA REDDY

–

WRIT PETITION No.21727 OF 2005

–

Dt: 05.10.2005

Between:

Kum. Y.Gayathri

.. Petitioner

AND

The Vice Chancellor,

NTR University of Health Sciences,

Vijayawada and others.

.. Respondents

ORDER:

Petitioner joined Physiotherapy Course at the 2nd respondent College and has completed 3rd Semester of the Course and now she is in 4th Semester. It is her case that she has fallen ill in the recent past and is undergoing vigorous treatment at Sree Venkateswara Institute of Medical Sciences, Tirupathi. With a view to undergo treatment and study simultaneously, she has approached

Sree Venkata Padmavathi College of Physiotherapy at Tirupati, to explore the possibility of her being transferred. Through a letter, dated 07.07.2005, the 3rd respondent stated that it has no objection to admit the petitioner into 4th Semester, if transferred from the

2nd respondent-College. It is also represented that the

2nd respondent expressed its no objection for the said transfer.

Petitioner submitted a representation to the 1st respondent on 09.09.2005, to accord permission for transfer from the

2nd respondent to 3rd respondent-College. Her grievance is that no action has been taken thereon, and seeks appropriate directions.

Heard Mrs Nanda, learned counsel for the petitioner and

Sri V.Nagarjuna Babu, learned counsel for the 1st respondent.

It became imperative for the petitioner to seek transfer from the 2nd respondent to 3rd respondent-College, on account of her

ill-health. On its part, the 3rd respondent expressed no objection for admitting the petitioner in the 4th Semester. The transfer of the petitioner can take place only if the permission is accorded by the University. For this purpose, the petitioner has already made a representation.

Unless there is any plausible and serious objection, the request of the petitioner cannot be turned down. The transfer of the petitioner does not result in any creation of seats or alteration of the approved strength. At the most, she would be extended the benefit of undergoing treatment and continuing study. The steps for conducting examination of the 4th Semester are said to be in the advanced stage.

In that view of the matter, the writ petition is disposed of directing the 1st respondent to pass appropriate orders on the representation of the petitioner, within a period of one week from the date of receipt of a copy of this order. There shall be no order as to costs.
